

Conrad O'Brien attorneys provide residential and commercial lending institutions with commercial litigation, bankruptcy, foreclosure, and related services in state and federal courts throughout New Jersey and Pennsylvania. Our bankruptcy experience includes representing secured creditors in Chapters 11, 13, and 7 proceedings. Our attorneys represent lenders and services providers on a variety of claims that range from small residential loans to multi-million dollar construction and commercial debts. From start to finish, our attorneys manage residential mortgage claims, leases and rents application assignments against apartment complex owners, and Article 9 claims to equipment, inventory or assets with support from a network of title insurance, appraisal, service of process, investigative, and auction service providers. Our clients rely on us to maximize their asset recovery and at the same time ensure compliance with fair debt collection, consumer protection, and bankruptcy laws.
